

Preparation Guidelines for Insects in Food / Cupboards

Remove all food, dishes and utensils from cupboards, drawers, counters, stove, fridge top and any other food storage areas.

Remove all items from bathroom shelves, vanities and counters.

Ensure access to baseboards in your home by moving all furniture 6 to 8 inches away from the wall.

Ensure access to baseboards, walls and shelves in the basement and closet/storage areas.

Closet floors must be clear; clothes may remain hanging. Seal all fish tank openings with plastic.

All adults, children and pets **MUST LEAVE PREMISES** for a period of **6 hours** from completion of service. If anyone has babies under 1 year old, is pregnant or has respiratory health issues, they must vacate for **24 hours**.

*****PLEASE NOTE*****

Do not wash cupboards for three months; lay down a barrier of non-adhesive plastic (MacTac), wax paper or newspaper as a liner.
