

Maritime Pest Control

****PREPARATION GUIDELINES****

FOR PHARAOH ANTS

Ensure access under kitchen and bathroom sinks is assessable.

Remove all covers off the **electrical outlets (plug – ins) and switch plates** in kitchen and bathroom areas.

Remove bathroom access panels for the bathtubs.

No spraying will be involved.

All adults, children and pets will be allowed to stay in their residence while work is being done.

BEFORE AND AFTER TREATMENT: NO SELF-TREATING ANTS USING ANY KIND OF BAIT TRAPS, PESTICIDES, ANT KILLER, etc.

Thank – you,

Kevin Chisholm(Owner / Technician)
